

CALIFORNIA VEHICLE CODES RELATED TO BICYCLES

The entire vehicle code can be found at

21200. Every person riding a bicycle upon a highway has all the rights and is subject to all the provisions applicable to the driver of a vehicle by this division, including, but not limited to, provisions dealing with driving under the influence of alcoholic beverages or drugs, and by Division 10 (commencing with Section 20000), Section 27400, Division 16.7 (commencing with Section 39000), Division 17 (commencing with Section 40000), and Division 18 (commencing with Section 42000), except those provisions which by their very nature can have no application.

21200.5. Notwithstanding Section 21200, it is **unlawful for any person to ride a bicycle upon a highway while under the influence of an alcoholic beverage or any drug, or under the combined influence of an alcoholic beverage and any drug.** Any person arrested for a violation of this section may request to have a chemical test made of the person's blood, breath, or urine for the purpose of determining the alcoholic or drug content of that person's blood, and, if so requested, the arresting officer shall have the test performed. A conviction of a violation of this section shall be punished by a fine of not more than two hundred fifty dollars (\$250). Violations of this section are subject to Section 13202.5.

21201. (a) No person shall operate a bicycle on a roadway unless it is **equipped with a brake** which will enable the operator to make one braked wheel skid on dry, level, clean pavement.

(b) No person shall operate on the highway any bicycle equipped with **handlebars** so raised that the operator must elevate his hands above the level of his shoulders in order to grasp the normal steering grip area.

(c) No person shall operate upon any highway a bicycle which is of such a size as to prevent the operator from safely stopping the bicycle, supporting it in an upright position with at least one foot on the ground, and restarting it in a safe manner.

(d) Every bicycle operated upon any highway **during darkness shall be equipped (1) with a lamp emitting a white light which, while the bicycle is in motion, illuminates the highway in front of the bicyclist and is visible from a distance of 300 feet in front and from the sides of the bicycle; (2) with a red reflector on the rear which shall be visible from a distance of 500 feet to the rear when directly in front of lawful upper beams of headlamps on a motor vehicle; (3) with a white or yellow reflector on each pedal**

visible from the front and rear of the bicycle from a distance of 200 feet; and (4) with a white or yellow reflector on each side forward of the center of the bicycle, and with a white or red reflector on each side to the rear of the center of the bicycle, except that bicycles which are equipped with reflectorized tires on the front and the rear need not be equipped with these side reflectors. Such reflectors and reflectorized tires shall be of a type meeting requirements established by the department.

(e) A lamp or lamp combination, emitting a white light, attached to the operator and visible from a distance of 300 feet in front and from the sides of the bicycle, may be used in lieu of the lamp required by clause (1) of subdivision (d).

21201.5. (a) No person shall sell, or offer for sale, a reflex reflector or reflectorized tire of a type required on a bicycle unless it meets requirements established by the department. If there exists a federal Consumer Product Safety Commission regulation applicable to bicycle reflectors, the provisions of that regulation shall prevail over provisions of this code or requirements established by the department pursuant to this code relative to bicycle reflectors.

(b) No person shall sell, or offer for sale, a new bicycle that is not equipped with a red reflector on the rear, a white or yellow reflector on each pedal visible from the front and rear of the bicycle, a white or yellow reflector on each side forward of the center of the bicycle, and a white or red reflector on each side to the rear of the center of the bicycle, except that bicycles which are equipped with reflectorized tires on the front and rear need not be equipped with these side reflectors.

(c) Area reflectorizing material meeting the requirements of Section 25500 may be used on a bicycle.

21202. (a) Any person operating a bicycle upon a roadway at a speed less than the normal speed of traffic moving in the same direction at such time shall ride as close as *practicable* to the right-hand curb or edge of the roadway except under any of the following situations:

(1) When overtaking and passing another bicycle or vehicle proceeding in the same direction.

(2) When preparing for a left turn at an intersection or into a private road or driveway.

(3) When reasonably necessary to avoid conditions (including, but not limited to, fixed or moving objects, vehicles, bicycles, pedestrians, animals, surface hazards, or substandard width lanes) that make it unsafe to continue along the right-hand curb or edge, subject to the provisions of Section 21656. For purposes of this section, a "substandard width lane" is a lane that is too narrow for a bicycle and a vehicle to travel safely side by side within the lane.

(b) Any person operating a bicycle upon a roadway of a highway, which highway carries traffic in one direction only and has two or more marked traffic lanes, may ride as near the left-hand curb or edge of such roadway as practicable.

21203. No person riding upon any motorcycle, motorized bicycle, bicycle, coaster, roller skates, sled, or toy vehicle shall attach the same or himself to any streetcar or vehicle on the roadway.

21204. (a) No person operating a bicycle upon a highway shall ride other than upon or astride a permanent and regular seat attached thereto.

(b) **No operator shall allow a person riding as a passenger**, and no person shall ride as a passenger, on a bicycle upon a highway other than upon or **astride a separate seat attached thereto**. If the **passenger is four years of age or younger, or weighs 40 pounds or less**, the seat shall have adequate provision for retaining the passenger in place and for protecting the passenger from the moving parts of the bicycle.

21205. No person operating a bicycle shall carry any package, bundle or article which prevents the operator from keeping at least one hand upon the handlebars.

21206. This chapter does not prevent local authorities, by ordinance, from regulating the registration of bicycles and the parking and operation of bicycles on pedestrian or bicycle facilities, provided such regulation is not in conflict with the provisions of this code.

21207. (a) This chapter does not prohibit local authorities from establishing, by ordinance or resolution, bicycle lanes separated from any vehicular lanes upon highways, other than state highways as defined in Section 24 of the Streets and Highways Code and county highways established pursuant to Article 5 (commencing with Section 1720) of Chapter 9 of Division 2 of the Streets and Highways Code. (b) Bicycle lanes established pursuant to this section shall be constructed in compliance with Section 891 of the Streets and Highways Code.

21207.5. Notwithstanding Sections 21207 and 23127 of this code, or any other provision of law, no motorized bicycle may be operated on a bicycle path or trail, bikeway, bicycle lane established pursuant to Section 21207, equestrian trail, or hiking or recreational trail, unless it is within or adjacent to a roadway or unless the local authority or the governing body of a public agency having jurisdiction over such path or trail permits, by ordinance, such operation.

21208. (a) Whenever a bicycle lane has been established on a roadway pursuant to Section 21207, **any person operating a bicycle upon the roadway at a speed less than the normal speed of traffic moving in the same direction shall ride within the bicycle**

lane, except that such person may move out of the lane under any of the following situations:

(1) **When overtaking and passing another bicycle, vehicle, or pedestrian** within the lane or about to enter the lane if such overtaking and passing cannot be done safely within the lane.

(2) **When preparing for a left turn at an intersection or into a private road or driveway.**

(3) **When reasonably necessary to leave the bicycle lane to avoid debris or other hazardous conditions.**

(b) No person operating a bicycle shall leave a bicycle lane until the movement can be made with reasonable safety and then **only after giving an appropriate signal in the manner** provided in Chapter 6 (commencing with Section 22100) in the event that any vehicle may be affected by the movement.

21209. (a) **No person shall drive a motor vehicle in a bicycle lane** established on a roadway pursuant to Section 21207 except as follows:

(1) To park where parking is permitted.

(2) To enter or leave the roadway.

(3) To prepare for a turn within a distance of 200 feet from the intersection.

(b) This section does not prohibit the use of a motorized bicycle in a bicycle lane, pursuant to Section 21207.5, at a speed no greater than is reasonable or prudent, having due regard for visibility, traffic conditions, and the condition of the roadway surface of the bicycle lane, and in a manner which does not endanger the safety of bicyclists.

21210. **No person shall leave a bicycle lying on its side on any sidewalk, or shall park a bicycle on a sidewalk in any other position, so that there is not an adequate path for pedestrian traffic.** Local authorities may, by ordinance or resolution, prohibit bicycle parking in designated areas of the public highway, provided that appropriate signs are erected.

21211. (a) No person shall stop, stand, sit, or loiter upon any class I bikeway, as defined in subdivision (a) of Section 890.4 of the Streets and Highways Code, or any other public or private bicycle path or trail, if the stopping, standing, sitting, or loitering impedes or blocks the normal and reasonable movement of any bicyclist.

(b) No person shall place or park any bicycle, vehicle, or any other object upon any bikeway or bicycle path or trail, as specified in subdivision (a), which impedes or blocks

the normal and reasonable movement of any bicyclist unless the placement or parking is necessary for safe operation or is otherwise in compliance with the law.

(c) This section does not apply to drivers or owners of utility or public utility vehicles, as provided in Section 22512.

(d) This section does not apply to owners or drivers of vehicles who make brief stops while engaged in the delivery of newspapers to customers along the person's route.

21212. (a) A person under 18 years of age shall not operate a bicycle, or ride upon a bicycle as a passenger, upon a street, bikeway, as defined in subdivision (a) of Section 2373 of the Streets and Highways Code, or any other public bicycle path or trail unless that person is wearing a properly fitted and fastened bicycle helmet that meets the standards of the American National Standards Institute (ANSI Z 90.4 bicycle helmet standard) or the Snell Memorial Foundation's Standard for Protective Headgear for Use in Bicycling. This requirement also applies to a person who rides upon a bicycle while in a restraining seat that is attached to the bicycle or in a trailer towed by the bicycle.

(b) Any helmet sold or offered for sale for use by operators and passengers of bicycles shall be conspicuously labeled in accordance with the standard described in subdivision (a) which shall constitute the manufacturer's certification that the helmet conforms to the applicable safety standards.

(c) No person shall sell, or offer for sale, for use by an operator or passenger of a bicycle any safety helmet which is not of a type meeting requirements established by this section.

(d) (1) A person who violates a requirement of this section in 1994 shall be warned of the violation by the enforcing official, but shall not be issued a notice to appear.

(2) Any charge under this subdivision shall be dismissed when the person charged alleges in court, under oath, that the charge against the person is the first charge against that person under this subdivision, unless it is otherwise established in court that the charge is not the first charge against the person.

(e) Except as provided in subdivision (d), a violation of this section is an infraction punishable by a fine of not more than twenty-five dollars (\$25).

The parent or legal guardian having control or custody of an unemancipated minor whose conduct violates this section shall be jointly and severally liable with the minor for the amount of the fine imposed pursuant to this subdivision.

(f) Notwithstanding Section 1463 of the Penal Code or any other provision of law, the fines collected for a violation of this section shall be allocated as follows:

(1) Seventy-two and one-half percent of the amount collected shall be deposited in a special account of the county health department, to be used for bicycle safety education and for assisting low-income families in obtaining approved bicycle helmets for children under the age of 18 years, either on a loan or purchase basis. The county may contract for the implementation of this program, which, to the extent practicable, shall be operated in conjunction with the child passenger restraint program pursuant to Section 27360.

(2) Two and one-half percent of the amount collected shall be deposited in the county treasury to be used by the county to administer the program described in paragraph (1).

(3) If the violation occurred within a city, 25 percent of the amount collected shall be transferred to and deposited in the treasury of that city. If the violation occurred in an unincorporated area, this 25 percent shall be deposited and used pursuant to paragraph (1).

39000. "Bicycle", for the purposes of this division, means any device upon which a person may ride, which is propelled by human power through a system of belts, chains, or gears having either two or three wheels (one of which is at least 20 inches in diameter) or having a frame size of at least 14 inches, or having four or more wheels.

39001. (a) The department shall procure and distribute bicycle license indicia and registration forms to all counties and cities which have adopted a bicycle licensing ordinance or resolution. Those counties and cities shall issue the indicia and registration form to the owner of any new bicycle, and may, upon request of the owner, issue an indicia and registration form to the owner of any bicycle which complies with Section 39007.

The department shall charge and collect a fee, not to exceed the cost of procuring and distributing the license indicia and registration form, for each bicycle license indicia and registration form issued. All fees collected pursuant to this section shall be deposited in the Motor Vehicle Account in the State Transportation Fund. Those fees are hereby continuously appropriated from the account for use by the department to defray costs to procure and distribute the bicycle license indicia and registration forms.

(b) The director shall design the bicycle license indicia and registration form described in subdivision (a), and shall establish procedures for the distribution of the indicia and registration form to counties and cities. The indicia shall be adhesive, durable, flexible, and of a size to permit it to be affixed to the front of the seat tube of the bicycle frame. Each indicia shall bear a unique license number and shall be permanently assigned to a bicycle. Each registration form shall comply with Section 39005.

(c) Bicycle licenses shall be renewed uniformly throughout the state on January 1 of the third year following the year of registration. Renewal of a bicycle license shall be indicated by a supplementary adhesive device affixed parallel to, and above or below, the indicia, with the expiration date showing.

39002. (a) A city or county, which adopts a bicycle licensing ordinance or resolution, may provide in the ordinance or resolution that no resident shall operate any bicycle, as specified in the ordinance, on any street, road, highway, or other public property within the jurisdiction of the city or county, as the case may be, unless the bicycle is licensed in accordance with this division.

(b) Any bicycle not licensed under this division may be additionally regulated or licensed pursuant to local ordinance or may be licensed upon request of the owner.

(c) It is unlawful for any person to tamper with, destroy, mutilate, or alter any license indicia or registration form, or to remove, alter, or mutilate the serial number, or the identifying marks of a licensing agency's identifying symbol, on any bicycle frame licensed under this division.

39003. If a city or county has or adopts a bicycle licensing ordinance or resolution, indicia and a copy of the registration form obtained from the department shall be issued to the owner by the city or county or other licensing agency designated by it.

39004. Each licensing agency, by ordinance or resolution, may adopt rules and regulations for the collection of license fees. Revenues from license fees shall be retained by the licensing city or county and shall be used for the support of such bicycle ordinance or resolution, and may be used to reimburse retailers for services rendered. In addition, fees collected shall be used to improve bicycle safety programs and establish bicycle facilities, including bicycle paths and lanes, within the limits of the jurisdiction.

The fees required to be paid pursuant to the provisions of this division are:

(a) For each new bicycle license and registration certificate, the sum shall not exceed two dollars (\$2) per year or any portion thereof.

(b) For each transfer of registration certificate, the sum shall not exceed one dollar (\$1).

(c) For each replacement of a bicycle license or registration certificate, the sum shall not exceed one dollar (\$1).

(d) For each bicycle license renewal, the sum shall not exceed one dollar (\$1) per year.

39005. Cities and counties having a bicycle licensing ordinance or resolution shall maintain records of each bicycle registered. Such records shall include, but not be

limited to, the license number, the serial number of the bicycle, the make and type, of the bicycle, and the name and address of the licensee.

Records shall be maintained by the licensing agency during the period of validity of the license or until notification that the bicycle is no longer to be operated.

39006. (a) Each bicycle retailer and each bicycle dealer shall supply to each purchaser a preregistration form provided by the licensing agency and shall include, on the sales check or receipt given to the purchaser, a record of the following information: name of retailer, address of retailer, year and make of the bicycle, serial number of the bicycle if delivered to the purchaser in an assembled state, general description of the bicycle, name of purchaser, and address of purchaser. A copy of the preregistration form shall be filled out and forwarded by the purchaser to the appropriate licensing agency within 10 days from the date of sale.

(b) For the purposes of this division, a bicycle dealer is any person who sells, gives away, buys, or takes in trade for the purpose of resale, more than five bicycles in any one calendar year, whether or not such bicycles are owned by such person. "Bicycle dealer" also includes agents or employees of such person.

39007. After December 31, 1976, no bicycle retailer shall sell any new bicycle in this state unless such bicycle has legibly and permanently stamped or cast on its frame a serial number, no less than one-eighth inch in size, and unique to the particular bicycle of each manufacturer. The serial number only shall be stamped or cast in the head of the frame, either side of the seat tube, the toeplate, or the bottom sprocket (crank) housing.

39008. (a) Whenever any person sells or otherwise disposes of a bicycle, he shall endorse upon the registration certificate previously issued for such bicycle a written transfer of same, setting forth the name, address, telephone number of the transferee, date of transfer, and signature of the transferrer, and shall deliver the registration certificate, so endorsed, to the licensing agency within 10 days.

(b) Any person who purchases or otherwise acquires possession of a bicycle shall, within 10 days of taking possession, apply for the transfer of license to his own name. Cities and counties may establish rules and regulations to govern and enforce the provisions of this section.

39009. (a) Whenever the owner of a bicycle licensed pursuant to an ordinance or resolution of a city or county changes his address, he shall within 10 days notify the appropriate licensing agency of the old and new address.

(b) In the event that any bicycle license indicia or registration form issued pursuant to the provisions of this division is lost, stolen, or mutilated, the licensee of such bicycle shall

immediately notify the licensing agency, and, within 10 days after such notification, shall apply to the licensing agency for a duplicate license indicia or registration form. Thereupon, the licensing agency shall issue to such licensee a replacement indicia or registration form upon payment to the licensing agency of the appropriate fee.

39011. No fine imposed for any violation of an ordinance or resolution, which is adopted pursuant to this division, shall exceed ten dollars (\$10).

39012. The licensing agency shall have the right to impound and retain possession of any bicycle in violation of the provisions of this division, and may retain possession of such bicycle until the provisions of this division are complied with. In addition, a fine may be imposed for any violation of this division pursuant to Section 39011.
